

Brian Burke & Nick Rampp:

Seasonal Pond Maintenance & Benefits Of Pond Plants

Brian and Nick are co-owners of Full Spectrum Landscape Co. They provide design, installation, repair and maintenance services for ponds and waterscapes.

Brian is a water-feature architect with 14 years experience in site assessment and design of custom water projects, and he specializes in pond maintenance. Nick is a landscape architect with 14 years experience in project design, hard-scapes and aquatic plants. Both are Northwest natives.
